A Playhouse Off the Hill production

This hilarious puppet troupe from Kansas City has adapted the Caldecott award-winning book by Jon Scieszka and Lane Smith. Narrator Jack takes audiences through the twists and turns of this wacky tale where they learn the real story of Chicken Licken ... or is that Chicken Little? And then there is Cinderumpelstiltskin, the Really Ugly Duckling and a whole new spin on the Little Red Hen. Audiences across the United States have delighted in the precise craftsmanship, dynamic presentation and joyful blending of humor and education.
